Anchorage Community Land Trust - Energy Burden Mapping

Project Sponsor(s):**House District: 19 / J**

Senator Begich

FY2022 State Funding Request: \$25,000

One-Time Need

Brief Project Description:

Resources for a local organization to facilitate community convenings and help facilitate energy burden mapping for the neighborhoods of Fairview and Mountain View in Anchorage.

Funding Plan:

Total Project Cost:	\$25,000
Funding Already Secured:	(\$0)
FY2022 State Funding Request:	(\$25,000)
Project Deficit:	\$0

Funding Details:

None

Detailed Project Description and Justification:

Low-income communities face utility burdens that far exceed national averages: utility bills are the most common reason that people use short term loan products. Because of this, situations emerge for low-income households where utility bills are contributing to long-lived conditions of poverty in the United States.

This funding request would be used to assess electricity, natural gas, and water burdens separately or combined on-demand.

Project Timeline:

Assessments may begin as soon as summer 2021 if funding is provided this year.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage
